

TD Tom Davies Designs Sparkling Limited Edition

May 2011 TD Tom Davies launches a Limited Edition Glasses Collection for women embellished with Swarovski crystals or, for a uniquely luxurious design, real sparkling diamonds embedded in the temples or brow line. Inspired by the 1950's cat's eye, each of the six pretty silhouettes are made of the very highest quality acetate, and limited to 50 pieces.

The frames can be ordered to fit perfectly through the unique bespoke spectacles service available exclusively through stockists of the TD Tom Davies eyewear brand.

"I have been doing private couture commissions incorporating precious stones and the recent demand for these has inspired me to do this first Limited Edition with Swarovski crystals. For customers wanting a truly exquisite finish, we can fit the frame with real certified diamonds. The results are literally dazzling."

TD Tom Davies Limited Edition glasses with Swarovski crystals: RRP £600.

TD Tom Davies glasses fitted with certified diamonds: Price on application. To order.

TD Tom Davies frames are available at over 200 UK stockists including: Barnard Levit (London), Charnley's (Leamington Spa), Cromptons (Cheshire); Eyesite (Brighton); Ellis & Thompson (Cobham), Gregory & Seeley (London EC4), Tony & Guy (Manchester).
